

To change your video background from the desktop app:

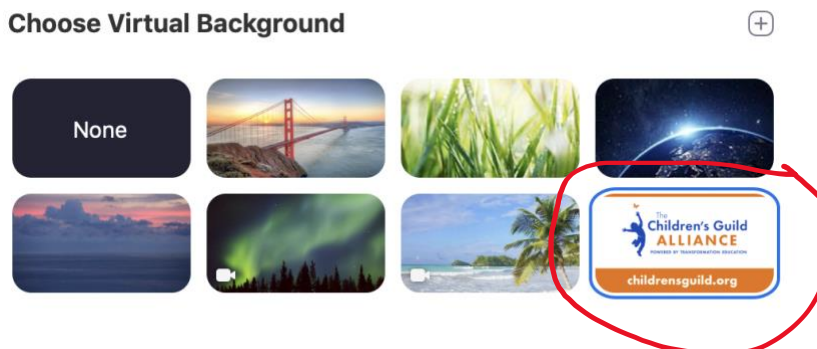

Click the arrow to the right of “Stop Video” and choose “Choose Virtual Background...”

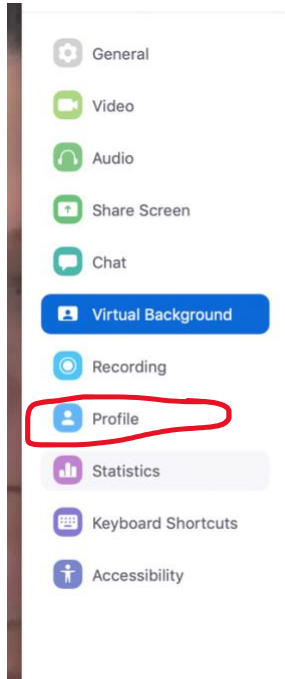

Click the “+” then “Add Image”:

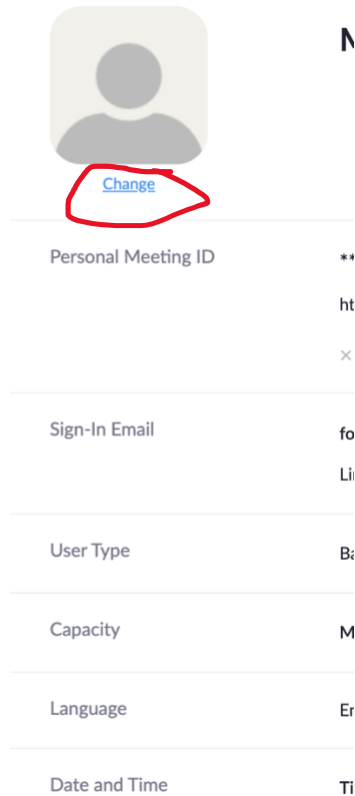

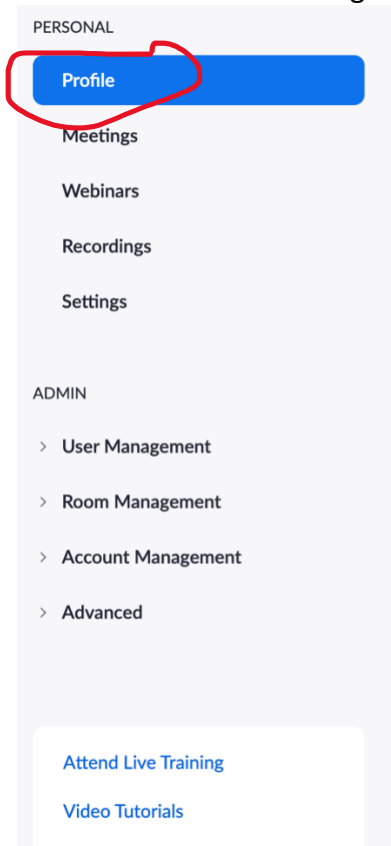

Upload your image and it will appear in the backgrounds. Select your new upload.

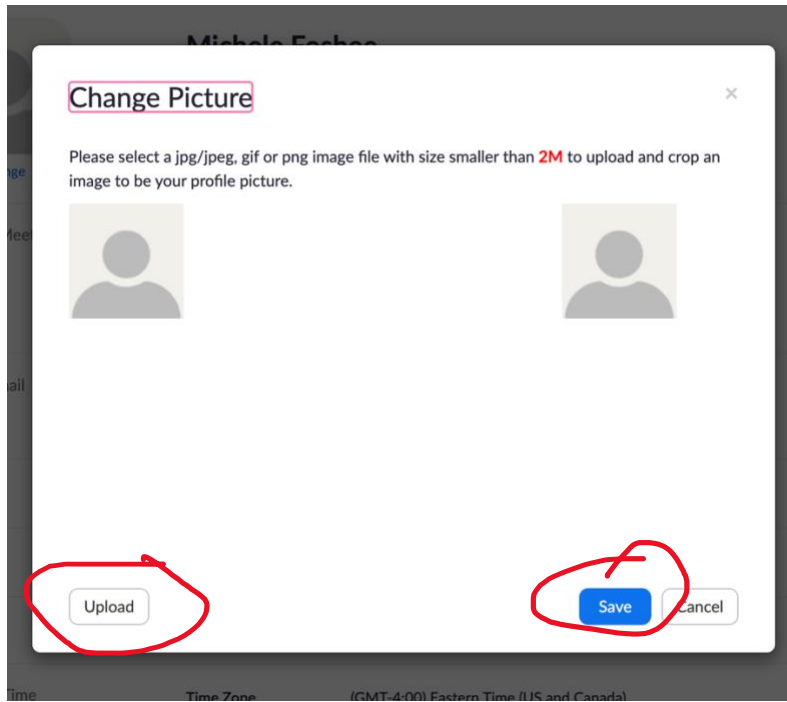

To change your profile image, choose “profile” from the settings. This will take you to the zoom website from the desktop app.

Click “Profile” then “Change” under your photo.

Upload your photo and click "Save".
