December 15, 2020

Dear Families,

Today, The Children's Guild- Prince George's Campus was notified by a parent that a student in our school has tested positive for COVID-19.

Through our contact tracing protocol, we have identified and notified all families whose students have likely had close contact with the individual who tested positive. The student who has tested positive for COVID-19 and anyone who had close contact with the individual will not return to the building for at least 14 days. Classes for all other students will continue as normal.

We have temporarily closed off all areas of the building the student used over the past several days and are following CDC protocols to thoroughly clean and disinfect these spaces. We are also in contact with the Prince George's Department of Health and will take any additional steps necessary to protect the health of our students and staff.

Primary symptoms include shortness of breath, coughing, fever or chills, fatigue, and muscle or body aches. Other symptoms include congestion or runny nose, sore throat, diarrhea, abdominal pain, nausea or vomiting, headache, and loss of taste or smell. If your student needs medical care, call your healthcare provider to report an illness or exposure to COVID-19 prior to seeking care. We ask that you notify the school office if your student begins to experience symptoms.

The health, safety, and well-being of our school community remain our top priority. We are following health department protocols to ensure we are doing everything we can to protect the health of our students. We also want to take this opportunity to remind everyone of the importance of wearing masks, staying six feet apart from others, and regularly washing your hands. Please continue to take preventive measures and stay safe. For more information visit: [cdc.gov/coronavirus](https://www.cdc.gov/coronavirus).

We are closely monitoring this situation and will provide you with updates if any further steps are necessary. Please visit our school website at <https://childrensguild.org/branding/the-childrens-guild-school-of-prince-georges-county/> for the latest updates. If you have questions or need to report a positive case of COVID-19, please do not hesitate to contact Abby Brandt, Principal at 443-462-7295 or brandta@childrensguild.org.

Sincerely,

Abby Brandt, Principal
The Children's' Guild- Prince George's Campus
